<http://englishapp.pixl.org.uk/>

Once the APP has been downloaded onto a device / phone / tablet / computer they will need to enter the following login details:

School ID: CU1411

User ID: surnameinitial

Password: surnameinitial

The first screen will require your child to select the text they are studying; they will be studying multiple texts from the list and will be able to use the APP to revise for them all

Once your child has selected the correct text, they need to choose the 'Take a test' option which will give them access to five different revision tasks...

Task 1, Quotation learning. This helps your child to remember key quotes from the text and who said them. This is a vital part of revision due to the closed book exam rules. Your child simply needs to click on an Act and will be expected to fill in missing words from key quotes and select which character said them.
