Welcome to Lawn Manor Academy

Welcome from the Headteacher

Lawn Manor Academy is the first new secondary school in Swindon under the Royal Wootton Bassett Academy Trust.

We believe that within each child there is a real potential to achieve and that as teachers, it is our job to ensure that this potential is met through their academic studies, creativity and high expectations.

Our **ILEARN** values are at the heart of our strategies for success, we take pride in 'inspiring and creating futures for all'.

Welcome from George Croxford CEO

Our vision for RWBAT is built around the one word of 'Excellence.' It is hoped that together the Schools will strengthen each other, sharing good practice and building capacity.

We will strive to maximise the potential of each person within our community and are absolutely committed to continuous improvement. We value developing the whole person equally to the achievement of academic success.

ILEARN Values

Independence & Literacy

Independence

We strive together to foster a sense of independence in all of our young people in each of their endeavours.

We focus on a positive approach to problem solving and improvement, whether it is in the classroom, on the sports field or in friendships.

Literacy

Literacy represents the key to lifelong education and we are committed to bringing excellence to life in every sense of the word.

Excellent reading will allow all of our young people to find the success that they deserve as they move through life, furnishing them with adventure, information and the ability to communicate effectively.

ILEARN Values

Equipment & Attitude

Equipment

Our role is to inspire and equip you with the necessary skills and learning that you will need to succeed in your future. In order for this to happen, you will need to come equipped with a thirst for learning and a desire to succeed in everything that you turn your hand to. You will also need to be personally equipped with smart uniform and personal equipment.

Attitude

At Lawn Manor Academy we are committed to extremely high standards of behaviour and have fostered an environment where the relationships that exist within the school, and the polite and respectful atmosphere that we enjoy, are commented on by all who visit the Academy.

ILEARN Values

Resilience & Numeracy

Resilience

By teaching our students how to demand the best of themselves, we will send them out into the world ready to embrace the challenges they will meet: whether they are in the boardroom, on the stage, in the lab or on the sports field, at home or abroad. A positive mind-set is important at Lawn Manor Academy.

Numeracy

Making learning count and inspiring the children who come to our school means creating learners comfortable with the notion that numbers underpin all of nature: they fill our language and inform everything we do. We take skilling the next generation of the workforce to be numerate seriously.

Lawn Manor welcomes applications from new pupils across Swindon.

Applications can be made for pupils moving from Year 6 into the new academic year each September, or throughout the year into Years 7, 8, 9 10 & 11 subject to availability and our admissions policy.

We work hard with our feeder schools to ensure a smooth transition ensuring when pupils start their learning journey with us they are on their way towards achieving their goals and unearthing their ambitions that will take them to the end of year 11 and beyond.
